PROFESSIONAL EXPERIENCE

Senior Associate – People & HR Operations

Spaulding Ridge | Pune, India

Nov 2021 – Present

Employee Experience & Onboarding

- Managed end-to-end onboarding and pre-boarding for 80+ hires annually across APAC (India, Philippines, Singapore) — reduced turnaround time by 30% through workflow redesign, localised region-specific checklists, and proactive cross-functional coordination with IT, Finance, and Operations.
- Acted as first-line support for employee queries covering onboarding, lifecycle transitions, compliance, and HR policies — applying a proactive, people-first approach to issue resolution and escalation.
- Coordinated onboarding logistics including documentation, joining formalities, HRIS setup, welcome kits, and vendor coordination, ensuring day-one readiness across geographies.
- Conducted 100+ employee check-ins annually, identifying engagement and retention risks early and feeding insights to leadership.
- Managed full employee lifecycle: pre-boarding, onboarding, movement, probation tracking, promotions, and offboarding — ensuring compliance and accuracy at every stage.

HRIS, Compliance & Administration

- Maintained employee records and HRIS data in ADP Workforce Now with high governance compliance — new hire data, benefits changes, leave management, and documentation accuracy across APAC.
- Led HRIS enhancements including onboarding workflow automation, leave management setup, and process optimisation — improving system efficiency and reducing manual effort.
- Managed open HR tickets, ensuring timely responses, accurate prioritisation, and complete record-keeping across platforms including Salesforce and FinancialForce.
- Coordinated payroll, benefits, and statutory compliance efforts, ensuring accuracy and adherence to multi-jurisdictional regulatory requirements.
- Maintained documentation, policy updates, and personnel memorandums including job offers, employment contracts, and notice forms for movements and compensation adjustments.
- Participated in ISO audit preparation and internal inspections, ensuring HR documentation and practices met regulatory and quality standards.
- Supported global HR inquiries and cross-functional coordination across IT, Finance, and Operations teams.

Learning & Development

- Designed and delivered training and development initiatives for internship cohorts, supporting onboarding, capability building, and performance readiness for 20+ interns annually.
- Led and coordinated the Consulting for Success learning series for APAC employees, driving professional development and knowledge-sharing across regions.
- Prepared and maintained training materials, facilitator guides, presentations, and learning resources to support employee development programs and workshops.

•

Workforce Analytics & Process Improvement

- Leveraged AI automation to streamline HR reporting workflows, improving data accessibility and reducing manual reporting turnaround time significantly.
- Identified trends in employee queries and implemented process improvements to reduce recurring issues and enhance the employee experience.

Talent Acquisition & Engagement

- Managed end-to-end recruitment for technology roles — sourcing, screening, interview coordination, offer rollout, and onboarding support. Cleared 200+ backlogged applications within 4 months.
- Conducted reference checks, background screening, and pre-employment verifications across multiple APAC jurisdictions.
- Managed structured internship programme for 20+ interns including onboarding, performance tracking, engagement, and conversion.
- Spearheaded All India Meet for 150+ employees — full logistics, travel coordination for 80 employees, vendor management, branding, and event execution.
- Planned and executed DEI events, wellness programmes, and engagement initiatives at short notice alongside active performance management cycles, increasing participation by 25%.
